Paul A. Grabowski (618) 346-3353

PRESS RELEASE

Washington County

Locations – IL 153 approaches to Archie Creek, Mud Creek, and South Fork Mud Creek;
Raven Road from IL 160 to IL 15;
Stone Church Road off IL 153;
Vermont Road South of US 51/IL 15

The Illinois Department of Transportation today announced that construction consisting of bituminous surface treatments of Stone Church Road, Raven Road, and Vermont Road, and asphalt overlay of the bridge approach roadways at Mud Creek, South Fork of Mud Creek, and Archie Creek will begin on Monday, May 15, 2017. This work is expected to be completed by the end of June, weather permitting.

Delays are expected. The department advises the traveling public to follow all construction signs and drive with caution through the work zones.

The General Contractor on this project is Kilian Corporation of Mascoutah, Illinois. Mr. Paul Grabowski is the Supervising Field Engineer for the Illinois Department of Transportation. If you have any questions concerning this project, you may contact him at (618) 346-3353.
